Amy,

There appears to be several edits from draft 4 to draft 5 in my comments (reading Mikes comments). They do change the intent and I feel weaken the comment. I'm not sure where the edits came from?

This version incorporates Charles comments. I added one sentence in the Policy section paragraph on the CDF based on comments from Ed Barth. I'm not wedded to the location of the sentence. It doesn't really fit with the content of the paragraph but it didn't really fit well elsewhere. Please let me know what you think.

Draft 5 is now heading to Lois for grammar and style editing.
